

REMARKS-General

1. Applicant acknowledges the allowability of claims 21-24. The amended independent claim 21 incorporates all structural limitations of the original claim 1 and includes further limitations previously brought forth in the original allowable claim 21, including any intervening claims. No new matter has been included. All claims 21-24 are submitted to be of sufficient clarity and detail to enable a person of average skill in the art to make and use the instant invention, so as to be pursuant to 35 USC 112.

Regarding to Rejection of Claim 20 under 35USC102

2. The rejected claim 20 is deleted in this application.

The Cited but Non-Applied References

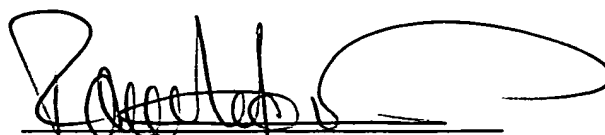

3. The cited but not relied upon references have been studied and are greatly appreciated, but are deemed to be less relevant than the relied upon references.

4. The appended Abstract as a new page is submitted herewith to replace the corresponding original abstract in file.

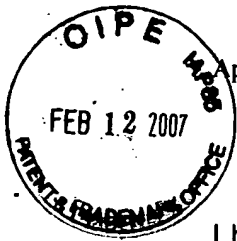

5. In view of the above, it is submitted that the claims are in condition for allowance. Reconsideration and withdrawal of the objection are requested. Allowance of claims 21 to 24 at an early date is solicited.

6. Should the Examiner believe that anything further is needed in order to place the application in condition for allowance, he is requested to contact the undersigned at the telephone number listed below.

Respectfully submitted,
